

2844 Square Feet
 1807 1st Floor
 1037 2nd Floor
 4 Bedroom
 2 1/2 Bathrooms

This large four bedroom home is a good fit on any street. The built in home office can easily be converted to a guest bedroom to make this a full five bedroom home. The large pantry will make sure there is a spot to put everything away and the three car garage has all the storage room you need.
